Pricing: WWF Risk Filter Suite Datasets

This dataset is one of the WWF Risk Filter Suite Datasets, which can be licensed separately or jointly. By purchasing this dataset, the licence allows you to access your chosen WWF Risk Filter Suite Dataset(s) for the same AOI within 12 months at no additional cost.

The WWF Risk Filter Suite Datasets include:

- WWF Water Risk Filter Datasets
- WWF Biodiversity Risk Filter Datasets

Data acquisition costs are per hectare, with three tiers. Site uploads are equated to 1 site = 1 ha.

Per hectare rate	**Price for one dataset**	**Price for two datasets**
≤ 50,000	$0.35/ha	$0.50/ha
50,001-100,000	50% discount	50% discount
100,001+	75% discount	75% discount

The minimum billed fee for one dataset is $10.000. For two datasets, the minimum billed fee is $13.000. The first 10 sites/100ha are free of charge as part of a free trial.
